

## MISSION TRIP

*San Juan de la Maguana  
Dominican Republic*

## UNLEASH COMPASSION!

Join Canyon member, Theresa Killingsworth, on a mission trip to help build a medical clinic/hospital in San Juan de la Maguana in the Dominican Republic. **(No construction experience is necessary.)** The team will also: participate in devotionals, worship at a local church, share God's word with the people in the barrios, play a baseball game with the Dominicans, visit the Mercado, meet sponsor students and their families, enjoy a Dominican buffet, enjoy sight-seeing in the capital of Santo Domingo, and relax at the beach. It is a jam-packed week and time will pass very quickly.

Current passports will be needed. The weather will be hot and humid. There is no air conditioning and no warm water. We'll learn to take very quick, cold showers. All food and transportation while on the island is included. The food is traditional Dominican food, with a lot of rice, beans, and fruit.
